Samarth Kapoor

has successfully completed the online Specialization

Job & Exam Aptitude Mastery: Reasoning | DI | Verbal | Quant

In this Specialization, learners developed and strengthened core competencies essential for success in competitive exams and job placements. The program covered Logical Reasoning, Verbal Reasoning, Quantitative Aptitude, and Data Interpretation — equipping learners with analytical, problem-solving, and critical thinking skills. The Specialization emphasized structured practice, time management strategies, and test-taking techniques. Learners completed a Capstone Project to apply their skills in simulated exam scenarios.
